TAKE GOD OUTSIDE OUR BUILDING!

As a follow up to our study of the film, "When God Left the Building," we invite you to join us for a PRAYER WALK this Saturday, October 22nd, from 9:30 – 11:30 a.m. We will meet at church, then walk through the Affton neighborhood immediately surrounding Salem's campus, introduce ourselves to our neighbors, and ask if we might pray for them. This is a great way to show the love of Christ in our community. People of all ages are welcome. If you are unable to walk with us, we invite you to work at church at the same time assembling small "care kits" that we will offer to people who come to us seeking assistance. Our Social Concerns Committee will have all the supplies available to assemble the kits. You may bring a sack lunch if you wish.

Our walk will end at 11:30 a.m. when we meet back at church to share lunch and our experiences. We hope to see many of our Salem family members and friends!

Anyone who has recently been diagnosed, in treatment, post treatment, survivors and caregivers are most welcome to join us!

ADULT BIBLE STUDIES RESUME on OCTOBER 30th

High school students and adults are invited to our Sunday Morning Bible Studies that resume next Sunday, October 30th at 9:20 a.m. Come and grow in God's Word and the grace of our Lord Jesus!

Cross Explorations, led by Pastor Huebner in the Fellowship Hall: This study looks at the same lessons our Sunday School is learning, taking us back to the time of the Old Testament judges, when God raised up leaders for His people. We'll connect each week's lesson to our Lord Jesus and his saving work for us. This study provides parents of Sunday School students a great opportunity to discuss with their children their faith in Christ at home. Love Your Neighbor, led by Seminarian Shawn Davis in the Old Church Office: What does it really mean to love our neighbor? We will contemplate what it means to love our neighbor in the same way Jesus loves as we look at Jesus' parable of the Good Samaritan in Luke 10. We will unpack topics like, "How do we receive love?" "How do we connect with others?" "How do we listen to others?" "What foundations do we have to share with others?" and more.
