Note from Ms. Potts

Thank you to everyone for looking at your child's progress report and informing me. Students are off to a great start this quarter. Make sure to check Fast Direct consistently as grades are being updated daily. Also, don't forget chapel is every Wednesday and offerings are appreciated! Finally, thank you for helping our class collect box tops this past month. It is greatly appreciated!

What we are learning-

Religion- This week we will learn about why the Reformation is important, who a Saint is, and why we call God our Father.

Math- This week we will learn naming dollars and cents, exchanging dollars, dimes, and pennies, adding dollars and cents, subtracting three digit numbers, and completing column addition.

Literacy- During writing, we will be drafting our personal narratives and making revisions by learning to add dialogue. During reading, students will learn how to draw conclusions from their passages and books.

Social Studies- We will continue on in chapter 3. We will learn about our country's regions and different natural resources. Will continue to work on map skills as well.

Science- We will begin chapter 4. We will start to learn about how living things change their environments, as well as the changes that affect living things. We will also learn about the living things of the past.
