## Note from Ms. Potts

Men's Club Trivia Night is almost here (Nov. 19th)! Mrs. Roggen had a wonderful idea of a Night Before Christmas basket. I am looking for volunteers to help make donations if possible so we can put together our basket. This can include cookie dough, cookie cutters, hot chocolate, a Christmas movie and blanket, Twas the Night Before Christmas book, etc. Whatever help you can offer is appreciated!

## What we are learning-

**Religion-** This week we will learn about what will happen when Jesus returns, what Jesus' work as a Prophet is, what Jesus' work as a Priest is, and what Jesus' work as a King is.

**Literacy-** During writing, we will continue on with learning about opinion writing. We will be drafting our conclusions and begin revisions. During reading, we will be learning about context clues and how we use them in our daily reading.

**Social Studies-** This week we will begin chapter 5 on history through time and place. We will learn about communities through time, how people bring changes, inventions in communities, and communities long ago.

**November 13th - LESSON 10:** Our topic is "David and Goliath."

As David slew the giant, Goliath, so Jesus, our David, slew the jeering giants of sin, Satan and death with the weapon of His own death. Parents could discuss with their children, "How could David approach his battle with Goliath confidently? How and we face the 'Goliaths' in our lives with confidence?"

**November 20th - LESSON 11:** Our topic is "David and Jonathan."

Just as the brotherly love between David and Jonathan reflected the love of God within their hearts, so too, our love for others is the reflection of God's love given to us through Christ. Parents could ask, "How did David and Jonathan demonstrate their love and care for each other? How does God demonstrate His love and care for us?"

## **NOVEMBER IS NATIONAL ADOPTION MONTH**

Every child deserves a family! More than 100,000 children and youth in the U.S. foster care system are awaiting permanent families, and roughly 1,400 await adoption in Missouri. November 19th is National Adoption Day – a day when parents, judges and child advocates join together to do something great: create forever families! This year it is expected that 4,500 children in foster care will be adopted in 400 cities across the United States. Lutheran Family and Children's Services (LFCS) offers many programs and services to families, children and individuals, helping them to experience greater hope and fullness of life.

During this month, we pray for all who are touched by adoption:

- For the birth parents who made the careful and loving decision to place their child for adoption
- For the couple who hopes to become parents through adoption
- For the special child who has the love and support of two families – one that gave the child life, and one that provides a future of love, hope and guidance
