Note from Ms. Potts

Thank you for all of the help at the Halloween Party! Thank you for bringing in goodies and helping with games in my absence. You guys rock! Don't forget this week is the Scholastic Book Fair. Third grade will have a day they will preview the book fair (Monday) and a day in which we will go back and purchase items from the book fair (Wednesday). Also, Friday will be a 1:00 pm dismissal day due to it being a teacher in service day.

What we are learning-

Religion- This week we will learn about why Jesus needs to be the true man, how Jesus serves as our substitute, how Jesus redeemed us, and why Jesus' resurrection is important.

Math- This week in math students will receive a study guide on Monday with a test on Tuesday. Then we will be learning about more word problems involving addition, estimating lengths and distances, and reading a clock to the nearest minute.

Literacy- During writing, we will continue on with learning about opinion writing. We will be drafting our evidence paragraphs. During reading, we will be learning about the difference between realism and fantasy.

Social Studies- This week we will continue to work on our community projects and present them by Friday.

Science- We will have a study guide come home on Monday with a chapter test on Tuesday. On Thursday and Friday we will be completing an in class experiment.

SUNDAY MORNING BIBLE STUDIES for ADULTS

High school students and adults are invited to our Sunday Morning Bible Studies at 9:20 a.m.

CROSS EXPLORATIONS, led by Pastor Huebner in the Fellowship Hall:

This study looks at the same lessons our Sunday School is learning, taking us back to the time of the Old Testament judges, when God raised up leaders for His people. This study provides parents of Sunday School students a great opportunity to discuss with their children their faith in Christ at home.

LOVE YOUR NEIGHBOR, led by Seminarian Shawn Davis in the Old Church Office:

What does it really mean to love our neighbor? We will contemplate what it means to love our neighbor in the same way Jesus loves us as we look at His examples of love in the New Testament.

MIDDLE SCHOOL BIBLE CLASS FOR 6th - 8th GRADE STUDENTS on Sunday mornings from 9:20 – 10:10 a.m. in the Conference Room, led by Deaconess Kristina Paul and Mr. John Wittmayer. Our interesting and informative discussion continues on "Heaven or Hell: A Future Residence Guide."

SUNDAY SCHOOL

WHO? All potty-trained children, ages 3 – 5th grade

WHERE? In the Salem School building

WHEN? Sunday mornings from 9:20 a.m. – 10:10 a.m.

Children under 3 years of age are welcome in our staffed Nursery during Sunday School/Bible Study time.

November 6th - LESSON 9: Our topic is "Saul Becomes King."

Students will learn that though God lets us have our own way at times, but HIS is the way of forgiving and saving, which He did for His people of old and for us today. Parents, consider asking your children, "How did God care for the children of Israel even though their desires were sinful? How does God show His care for us even though we are sinful?"

November 13th - LESSON 10: Our topic is "David and Goliath."

As David slew the giant, Goliath, so Jesus, our David, slew the jeering giants of sin, Satan and death with the weapon of His own death. Parents could discuss with their children, "How could David approach his battle with Goliath confidently? How and we face the 'Goliaths' in our lives with confidence?"

SUNDAY SCHOOL NEEDS

- **SUBSTITUTE TEACHERS** – If you would be willing to substitute on occasion, we would really appreciate it! All supplies are provided, so you would simply need to teach the lesson for that particular Sunday.
- **VOLUNTEERS** are needed from January 8 – April 2, 2017 to assist us with crafts, snacks or an experiment (depending on the week). During that period of time we will be following a VBS style of rotation for children in grades 1 – 5 and could use your help staffing one station each Sunday.

If YOU can help with either of these needs, if only one weekend or more, please contact our Sunday School coordinator, Mrs. Laura Frank at (314) 353-9242 or email: laurafrank@slcas.org.
