Note from Ms. Potts

Happy second full week of school!!

What we are learning-

Religion- This week we will learn why we should study the Bible, the tools to help us study the Bible, what God's Word is, and how we should use the Word and the Gospel in our daily lives.

Math- We will learn about addition, subtraction, and addition/subtraction fact families. We will also learn about finding unknown addends and how to add three numbers together.

Literacy- During writing we learn how to write using our senses. During reading, we will learn about how to write a response to our reading, learning about different reading genres, and identifying between fiction and nonfiction.

Social Studies- We will continue chapter one. We will learn about communities near and far. We will continue to learn about our own community and add to our brochures.

Science- We will complete chapter 1. We will continue to learn about both plant and animal parts, as well as, learning how to classify animals. There will be a study guide sent home on Thursday and students will have a test over chapter 1 on Friday.
